\$150 per meeting day

Honoraria will be granted to each Council member based on their attendance at Council meetings. If absent from that meeting, honoraria would not be given for that meeting.

Honoraria will be paid twice a year by June 30th and Dec 31st.

Attendance will be tracked by the Registrar. If more than 3 meetings or 2 consecutive meetings are missed by a Council member within that calendar year, the member is requested to communicate with the Chair of Council.

It is noted that the Department of Health Council member is exempt from receiving honoraria, as attending Council meetings is part of their employment.
